Describe yourself: I am responsible, organised, patient, trustworthy, fun and friendly. I grew up on our family property in NSW and moved to Adelaide when I was 18 for Uni. I moved to Townsville this year to further my study. I love the outdoors and being active, I love learning new skills and getting involved in any sports! I love all animals, reading, being creative and I love looking after kids. I love travelling and trying new things; hence moving to Townsville. I love it up here but naturally I do miss my family!
